

DEAF MILLENNIAL PROJECT

ANNUAL REPORT

JANUARY 1, 2019 -
DECEMBER 31, 2020

Friend,

To write this, is impossible. There are no words to describe what the Lord has done in 2020 despite a global pandemic, a fierce election, racial tension and so much. Despite all of it, the Lord has led us to thrive even as a new organization. What Isaiah writes rings even more true as we enter 2021. He says, "For I am about to do something new. See, I have already begun! Do you not see? (Isaiah 43:19 NLT)"

Could that not be more true? In 2020, we seen over 10,000 Deaf engaged with God's word, over 150 Deaf give their life to Christ, digital bible studies starts and so much more. God is doing a new thing. What we have prayed for so long, we are now seeing evolved right before our very eyes. But the work is not done and the road that lies ahead of us is long, hard one. But I have no doubt, that God will show up, show out and use us to bring Him glory.

We are thanking God for our amazing team and YOU for believing in us and rooting us on.

Thank you for being a part of this journey.

Blessings,

Brandon Gaskin | **Founder & Executive Director**

NEW INITIATIVE

We believe discipleship is the root of everything we do based on Jesus' last words to his disciples before leaving earth.

In 2020, we started developing a discipleship tool that will impact our Deaf community.

500 IN 2021

In 2021, we want to equip, train, and mobilize 500 Deaf to become disciple makers across the country. Disciple making influences the rise of new leaders and church planting.

WHERE WE WANT TO GO

BIBLICAL CONTENTS

Creating more digital biblical content that people and Deaf churches can have access to everyday.

DISCIPLESHIP TOOLS AND RESOURCES

We are building and creating more tools for discipleship and community to get into the hands of Deaf all over.

EVENTS

Last year, we saw a hunger for connection through our events. We saw a desire for more events like our Home Church Conference, so we are developing three new conferences for next year to build connections.

HOW CAN YOU HELP

THERE ARE TWO WAYS YOU CAN HELP.

WILL YOU PRAY?

Will you pray that the discipleship tools and resources will reach more Deaf people than ever before?

Will you pray that the next generation will say yes to being discipled and use these tools to follow Jesus?

Will you and your family prayerfully consider how you can invest in the growth of Deaf Millennial project?

WILL YOU GIVE?

God has done so much with these resources we've been given! We are celebrating, yet aware that donations make up a small portion of our overall revenue. You can help us continue to grow as we work to take our tools more accessible to the next generation and more accessible to many all over.

Will you invest in our mission to disciple the next generation?

THANK YOU TO OUR DONORS AND PARTNERS!

Because of you this has been made possible. Thank
you.
